### GRACE TO NYC '12

with a mission to share Christ's love in NYC this July 23-29; cultivating and planting good seed in Astoria/Queens. About 30 servants from GBC are planning to go there and minister to the lost. There is still plenty of room for YOU. Pick-up a brochure at the Welcome Center. It tells a lot about it. See how your skills can fit the needs.

WEDNESDAYS-7PM

SOUNDS OF GRACE  
**PATRIOTIC MUSICAL**

**DON'T MISS IT!**

Sunday, July 1st, 7pm at Niawanda Park

Volunteers will be needed to lend a hand with this great outreach opportunity and attend too.

Currently, we are asking for a few more voices to join us as we honor our country and our God. We have special practices scheduled AND you can join the choir for the musical only. You don't need to be able to read music, but you do need to be able to carry a tune. Come, sing with us as GBC commits to this awesome ministry opportunity. We accept ages 13-103. If you can't sing, stay tuned for other ways you can help. Contact Terri Quick (909-1090) or Nancy Sweet (310-6572). **WE NEED YOU!!!**

On what are you pinning your hopes? Everyone needs hope in something or someone. Too many uncertainties fill our lives for us to continue without hope. Some people put hope in themselves. They work hard to control every aspect of their lives. Others put hope in money and things, thinking that they will have enough resources to buy their way out of uncertainties. Still others put their hope in people, like a spouse or a friend, to give them stability and to rescue them when their lives fall apart. However, the hope for the world is not hard work, money, or people. The world will find true hope in only one Person, Jesus Christ. *Messiah, the World's Only Hope* presents Christ from the pen of the prophet Isaiah. He wrote this book at a dark time in the history of Judah, a time when they were running out of hope. **Join the King's Daughter ABF** (for women only) at 9am on Sundays to study Christ in Isaiah and find confidence for now and hope for the future.
